

# Chlorella

Natural Mercury Detoxification

## NATURALLY CLEANSE YOUR BODY OF HARMFUL CONTAMINANTS

Remove dangerous toxic metals from your body naturally with premium-grade GreenPath Chlorella, a nutritionally dense plant that has grown on the planet for thousands of years. Rich in chlorophyll, one of nature's strongest detoxifying agents, GreenPath Chlorella chemically binds with mercury, toxic metals, and other pollutants present in dental fillings, processed foods, and even tap water, then removes them. Keep your body free of dangerous pollutants in the air you breathe, the water you drink, and the foods you consume with GreenPath Chlorella.

## BALANCED SOURCE OF 19 AMINO ACIDS AND 20 VITAMINS AND MINERALS

GreenPath Chlorella fortifies your body with important nutrients that are missing from modern diets. You'll feel stronger and healthier with GreenPath Chlorella because this protein-packed whole food – the most potent on the planet – is a balanced source of all eight essential amino acids necessary for a healthy body and mind. It also provides more than 20 vitamins and minerals that occur naturally in the plant, including iron, calcium, potassium, magnesium, vitamins B, C, E, K, and more.

## LEADS TO A HEALTHIER MIND AND BODY

Experience increased energy, heightened mental clarity, reduced tension and anxiety, and even a clearer complexion in addition to GreenPath Chlorella's cleansing and nutritional benefits. Thousands of Chlorella users have reported these additional benefits after beginning a regular Chlorella regimen.

## ORGANICALLY GROWN, 100% ALL NATURAL, AND FREE OF PRESERVATIVES

GreenPath is committed to your well-being and ensures that our premium-grade Chlorella is 100% pure and grown organically in mineral-rich fresh water. Your body will easily absorb GreenPath Chlorella's vitamins and minerals, because they occur naturally in the plant.

GreenPath Chlorella is 100% free of sodium and potential allergens such as lactose and gluten. Just as nature intended, Chlorella is also free of preservatives, coloring, and other artificial ingredients.
