

ChloroCleanse

Natural Detoxification System

CLEANSE AND PROTECT WITH THIS POTENT DETOXIFIER

Cleanse your body naturally with GreenPath ChloroCleanse's potent blend of powerful cleansing agents, premium Chlorella and Calcium D-Glucarate.

Rich in chlorophyll, one of nature's strongest detoxifiers, Chlorella chemically binds with mercury, toxic metals, and other pollutants in dental fillings, processed foods, and even tap water, and removes them from your system. Decrease your cancer risk and clear your body of harmful free radicals with the antioxidant-rich Calcium D-Glucarate in GreenPath ChloroCleanse.

NATURALLY REMOVE TOXIC METALS FROM YOUR BODY

Remove the harmful pollutants and toxic metals accumulating in your body. Now you can protect yourself from the potentially fatal side effects of heavy metal poisoning ranging from frequent headaches to decreased vital organ function and even cancer with all natural GreenPath ChloroCleanse.

LOWER YOUR CANCER RISK WITH POWERFUL ANTIOXIDANTS

GreenPath ChloroCleanse lowers your risk of cancer with Calcium D-Glucarate, an antioxidant-rich botanical extract found in grapefruit, apples, oranges, and broccoli and packed with vitamin C and folic acid.

REPLENISH NATURAL ANTIOXIDANTS THAT DECREASE WITH AGE

Strengthen your defenses against age-related illnesses with GreenPath ChloroCleanse's high levels of Alpha Lipoic Acid, a versatile antioxidant produced in the body that diminishes as we age. Alpha Lipoic Acid is proven to increase your body's natural levels of glutathione, which is essential to healthy immune and liver function.

Start taking GreenPath ChloroCleanse now to lower your risk of heart disease by replenishing your body's production of Coenzyme Q10, an antioxidant used in the prevention and treatment of heart-related illnesses. Researchers are also testing CoQ10 for advanced breast cancer treatment as well as prevention of Alzheimer's and Parkinson's diseases.

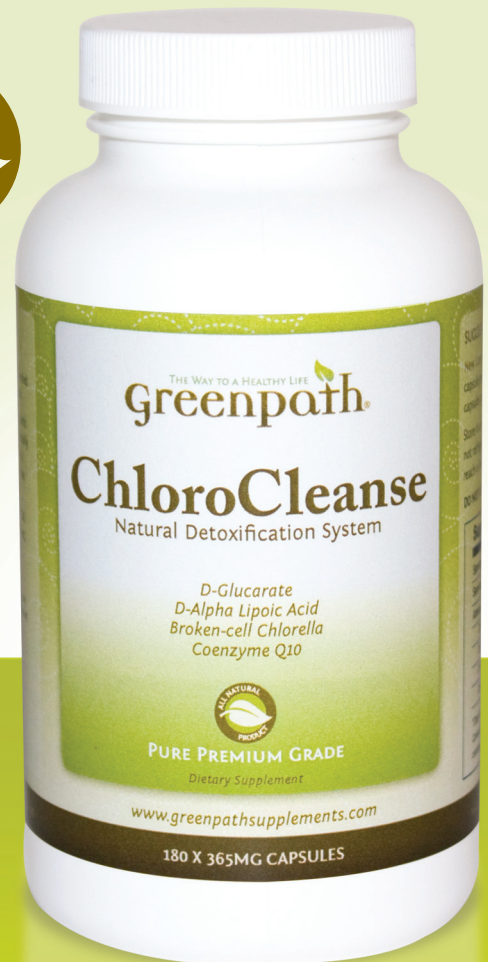

100% ALL-NATURAL SOURCE OF VITAMINS AND MINERALS

GreenPath ChloroCleanse fortifies your body with protein, 100% of the amino acids essential for a healthy mind and body, and more than 20 vitamins and minerals that occur naturally in Chlorella, including iron, calcium, potassium, magnesium, vitamins B, C, E, K, and more.

Stay healthy and free of toxins with all natural GreenPath ChloroCleanse, the green alternative to chemically manufactured dietary supplements. GreenPath ChloroCleanse is safe, gentle, and 100% free of sodium, gluten, preservatives, coloring, and other artificial ingredients.

Take advantage of the healthful benefits of nature's strongest detoxifiers. Cleanse your body and mind naturally with GreenPath ChloroCleanse.
